DISCLOSURE STATEMENT UNDER 37 CFR

§1.97 and §1.98

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

The references cited on attached form PTO/SB/08B are being called to the attention of the Examiner. Copies of the references are enclosed. Examiner please note that cited reference number 2, LINDON et al. "Biofluids Studied by NMR," was previously submitted in an Information Disclosure Statement file December 17, 2003 for this application. At that time an incorrect publication year of 2002 was unintentionally given for the reference. The correct publication year for LINDON et al. "Biofluids Studied by NMR," is 2000 and is indicated on the attached form PTO/SB/08B.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Respectfully submitted,

the R. Allen
